6 tips for preserving the natural environment and heritage

1. Follow the instructions on the signs
2. Respect the flora and fauna.
3. Use the marked routes.
4. Eat in the picnic areas.
5. Do not drop litter on the ground and, if possible, take any trash you generate with you.
6. Water is a scarce resource; use it wisely.
7. Use public transport and/or a bicycle. Our facilities are accessible to people with reduced mobility.
